RE: Year End Report (7/1/97 - 12/31/97)

Dear Mr. Gibson:

In a May 29, 1998 phone conversation with Mr. David Hume of your office, he informed me that in order to bring our report for the second half of 1997 into compliance, I only need to file the information requested, and there is no need for me to re-file a full report.

In earlier correspondence we determined that there were fifteen contributors who made donations in excess of two hundred dollars for whom information was incomplete. I am enclosing two FEC form Schedule A with information on thirteen of those fifteen. I have made numerous attempts to get the required information on the other two as well. At this point I suspect that I will not get the requested information for Mr. Michael P. Boyle because I have not succeeded in obtaining a phone number for him and there has been no response to my written request. I think there is still a possibility of getting the requested information for Dr. Paul H. Grundy because, as explained earlier, I have re-mailed a written request to a newly acquired address.

As for disbursements for the period, Mr. Hume told me that the only one of concern is the \$2,724.92 payment to Joyce Lindsay. I have enclosed FEC form Schedule B detailing that disbursement.

I hope that this brings our account into compliance. If I need to take additional steps or if you need further information, please do not hesitate to contact me.

Yours truly,

Bill Dubay, Campaign Treasurer
